

International Summer School 2019

Novi Sad, Serbia - European capital of culture and youth , 6th - 27th July 2019

University of Novi Sad, as China-CEEC Higher Education Institutions Consortium Secretariat, Faculty of Technical Sciences – Department of Industrial Engineering and Management, is organizing 2019 International Summer School entitled:

“THE ERA OF INNOVATION AND CREATIVE INDUSTRIES“

Novi Sad is the European Youth Capital for year 2019, and it is a great opportunity for young students from China to visit Novi Sad and meet other young people from all over the Europe and for Secretariat to once again host a memorable China-Serbia event, this time aimed predominantly at young people and creating new people-to-people bonds and friendships. Besides lectures, participants will have historical and cultural trips, company visits, various social activities such as EXIT– Officially Europe's best music festival, tours to significant cultural and natural sites, etc. The third week of the Summer School is optional and participants can travel to five beautiful European capitals: Budapest, Vienna, Bratislava, Ljubljana and Belgrade.

About

Creative industries are recognised as a source of innovation, economic growth, personal wellbeing and community cohesion, but harnessing their potential can be challenging. The goal of this Summer School is to form and support fresh entrepreneurial teams in the creative industries which combine technological development and creativity to influence social changes and innovations. During the 2 educational weeks Summer School will provide a solid and hands-on introduction to the entrepreneurial dimensions of technology driven innovation in the creative industries and culture. Further, participants will enjoy various social activities, such as EXIT music festival, city tour, Serbian traditional night, and short field trips.

Where

Novi Sad, one of the most beautiful cities in Serbia, is situated on the banks of the Danube river and overlooked by the famous Petrovaradin Fortress and National Park Fruška Gora. As its symbol, the white Dove, represents, Novi Sad is a home for many different nations and religions that live in harmony and offer warm hospitality to every visitor. It is famous for its charming atmosphere of old town tales and architecture fused with modern life style and progressive business environment. Rhythm and vibe of the city is set by 50,000 students of the University of Novi Sad.
